

On Aug. 21, churches like yours across the state will celebrate all God is doing through its members who deliver help, hope and healing as a volunteer through TBM.

An unending stream of TBM **men and women** have served sacrificially around the world after every natural disaster in Texas since then and after many disasters worldwide. As Texans on mission, TBM volunteers have provided tens of thousands of people clean drinking water in the midst of some of the most difficult situations. An untold multitude of young men have been disciplined through our programs and joined God in His redemptive work.

Commonly known as Texas Baptist Men, TBM empowers Christians just like you to take on the biggest challenges around the globe, changing the world one radical act of service and compassion at a time. Since 1967, TBM volunteers have delivered help, hope and healing to millions of hurting people and raising up the next generation to do likewise. As a result of its service, TBM has helped start and train disaster relief groups in all 50 states, giving birth to the third-largest disaster relief network in the nation.

You, your church and organization can join the movement changing the world. Are you up to the challenge?

IN GOD WE TRUST
by Dan Sampson

We proudly fly the flag of America!
We celebrate the beauty of this land.
We invite the tired, the poor, the suffering at our door
To share the hope of freedom’s helping hand.
We celebrate with music and festivity;
We feel the love of family and friends.
But the truth we celebrate is the Faith
that made us great--
IN GOD...WE...TRUST!
