The East TX Baptist Network Is Churches Together on Mission Demonstrating: Spiritual Transformation—The process by which God saves and renews individuals and infuses them with the presence of the Holy Spirit of God to do His will. Spiritual Synergy—The process by which believers exercise the habit of creative cooperation, valuing the differences in others, and showing respect in the Christian community. Spiritual Unity—The result of transformed believers seeking God's face and cooperating together in a dynamic, creative way (synergizing), which, as an end, brings glory to God and strengthens His kingdom.

Kilgore BSM News

“Grace to you and peace from God our Father and the Lord Jesus Christ.” Philippians 1:2

Summer is officially here! If your world has been like mine, it has been filled with graduations, weddings, recitals, celebrations and rain. Most of the time these events are things we pray and hope for. They just become difficult when they all come at once. We persevere because we know that it’s just going to be this way for a short while.

The Christian life is very similar to this pattern. This world is not our home. We will only be here a short while. The focus of the gospel is our crutch. It not only compels us but propels us forward to the next day or event. This is important for churches to remember right now.

At the BSM, the end of the semester schedules were getting busier and Bible Studies were coming to an end, when a young man started visiting the BSM for the first time. He is from a middle eastern country and it was very apparent that he was Islamic. He was making friends and finding a place of acceptance. There were still three Bible studies wrapping up and he visited all three and joyfully participated. As my heart longed for more time with him, the window was continuing to close. I gave him a final challenge, asking him to read this book with me over the summer in hopes we may have some time through the summer to meet up and discuss it. The name of the book is, “Seeking Allah, Finding Jesus: A Devout Muslim Encounters Christianity,” by Nabeel Qureshi. I asked him to read this book because I have heard multiple testimonies of Muslims coming to Christianity in their faith because of having read it. Please join me in praying for this young man. Out of respect to his identity I will not reveal his name but you can still pray for him with these details.

Blessings to you and your church. I hope to come and visit this summer. Thank you for all that you are doing in this community!
