The East TX Baptist Network Is Churches Together on Mission Demonstrating:	
Spiritual Transformation —The process by which God saves and renews individuals and infuses them with the presence of the Holy Spirit of God to do His will.	
Spiritual Synergy —The process by which believers exercise the habit of creative cooperation, valuing the differences in others, and showing respect in the Christian community.	
Spiritual Unity —The result of transformed believers seeking God's face and cooperating together in a dynamic, creative way (synergizing), which, as an end, brings glory to God and strengthens His kingdom.

Hello from KCBSM!

Can you believe we are already half way through the semester?! This week most students began a new set of classes. If you're familiar with Kilgore College, on-campus schedules now function on two eight-week terms each semester. We have enjoyed getting to know students and are excited for what is in store. Jade and I are in the process of building a student leadership team with around 5-7 students who will help us in the Gospel ministry at Kilgore College. These students would begin serving in the Spring semester and help with free lunch, outreaches, etc.

Pray with us:

We are excited that one student will be going on a Christmas mission trip through TXBSM's sending arm, GoNow Missions. Pray with us for Victor as he prepares to serve this December and that the Lord would provide the funds he needs to raise!
