The East TX Baptist Network Is Churches Together on Mission Demonstrating:	
Spiritual Transformation —The process by which God saves and renews individuals and infuses them with the presence of the Holy Spirit of God to do His will.	
Spiritual Synergy —The process by which believers exercise the habit of creative cooperation, valuing the differences in others, and showing respect in the Christian community.	
Spiritual Unity —The result of transformed believers seeking God's face and cooperating together in a dynamic, creative way (synergizing), which, as an end, brings glory to God and strengthens His kingdom.
